Grafitti Vandal Squad!

GVS crew started in the middle of 1995 in Lisboa/Portugal. Arte, Rote and Ouro started the crew. Rote read about the Vandal Squad in the USA and after he thought this is a cool name - just put the Graffiti before and its a fucking nice name Graffiti Vandal Squad!! So everything started. We are the secon generation of Graf in Portugal. Graffiti in Portugal just existing since the early 1990. GVS are (in ordern how we entered the Crew): Arte, Rote, Ouro, Risko, Creyz, Sken, Komer, Fire, Oles, Phore, Que?, Dr. Funk, Eko, Vulto, Ebzke, 4Sale, Arky For us its really important to be good friends. We are all Broth Nobody is inside the crew just because he is a good painter. Everybody is inside the crew because he is a very good painte and a very good friend. We are always connected to eatch oth some of the guys are not living in Portugal or Lisboa (Phore: Germany; Oles and Dr. Funk: Netherlands; 4Sale and Arky: Algarve) but we are always in toutch. We love to have dinners all together this mean a lot for us, being together, being with the GVS Familia! We all have very different styles. One of the reasons, because we are from different generation of Graf and we are very diffrent in the activities we do too. Some of us doing more this canvas-streetart-hall of fame-thin some of us are big street- or trainbombers or some doing bot Its important for us to be open minded!

One love to the game, one love to the Familia!

Beiden war sehr langweilig. Über eine Entfernung von 200km hinweg beschlossen sie, 3 Schlagwörter umzusetzen. Diese Schlagwörter waren **Soul**, **Crash** und **Future**. Bei der Umsetzung gab es nur eine Vorgabe: **IM ÖFFENTLICHEN RAUM**. Egal, ob als Graffiti, als Tag, als Schablone, oder als Installation – hauptsache kreativ.

Ein Zeitfenster wurde gesetzt – die Grundlage der Action war geschaffen. Das Ziel war nun, den Worten Taten folgen zu lassen.

Nun ist es soweit.

Dies ist die letzte Ausgabe des **HASSLER** onlinemagazines.
Stets in Bemühung, interessante und kreative Köpfe mitwirken zu lassen, hoffen wir,
dass es uns in allen Ausaben gelungen ist. Der Abschied fällt nicht schwer,
denn es entsteht Freizeit und Raum für andere Aktivitäten.

Bleibt in Kontakt mit fkp und Ihr bekommt Veränderungen mit...
Einen herzlichen Dank, an alle die mitgemacht haben.
Ein Dankeschön an die Betrachter.
